

Know Before You Go!

Hi everyone,

We are so excited for all that the Lord has in store for our time together at Worship Together Conference 2024. Below are some key details that you will want to keep in mind as you head to Nashville, TN.

### **VENUE ADDRESS**

The Fisher Center for the Performing Arts  
2020 Belmont Blvd  
Nashville, TN, 37212

### **PARKING**

Follow our signage to the South Parking Garage right behind the venue, across the street. Simply drive up the hill on Compton Avenue to access. If the need for additional parking arises, we can use the Curb Event Center Parking Garage, located directly behind the venue on Bernard Ave. Both are clearly labeled with the garage names printed above the entrance. Per Belmont University policy, street parking is strictly prohibited, and vehicles will be towed. Please only use the parking garages during your visit.

### **REGISTRATION**

Registration will begin at 6pm (CST) on Thursday evening, February 8<sup>th</sup>. You can enter through the two front door entrances to the Fisher Center—visible from Belmont Blvd. These are the only two entrances available throughout the event. One entrance will be marked for “Premium Seating” and the other for “General Admission.” Please note which ticket you purchased ahead of time to streamline the registration process. Our host team will get you registered at the door and get your lanyard and badge. Please keep these with you at all times throughout the event. Digital tickets or printed confirmation is not required, but please give your name and have proof of identification handy for verification. We will provide complimentary notebooks to take notes, so bring a pen!

### **LATE REGISTRATION**

If you are unable to make it at the start of our conference, you can register when you arrive. Just enter through the two front doors and speak to the volunteers on site to get checked in and receive your badge.

### **MEALS**

We will have a Chick-Fil-A boxed lunch available for you onsite during our Friday lunch break. For remaining meals, we have built in ample time for you to grab something on your own. Check out our digital program for some local favorites! We encourage you to also use these breaks for meaningful conversation and to visit our amazing sponsors in the lobby.

### **WATER AND COFFEE**

We will provide complimentary bottled water and drip coffee for you this year throughout the conference. You are also free to bring your own water bottle for use in the lobby. Screw cap water bottles are permitted in the main hall, but they must remain unopened if filled. No coffee or other beverage (beyond water) is permitted in the hall.

### **PERSONAL BELONGINGS**

Per the Belmont University policy, no oversized bags, no backpacks, and no luggage are permitted in the Fisher Center building. Purses and small-to-medium sized tote bags are permitted.

**BRING ONE MORE**

There is still time to bring one more friend, team member, or family member with you to conference. Use the code "BRINGONEMORE" for 40% off an additional registration. Code is case sensitive.

We have an incredible two days planned for you and cannot wait for you to get here! Please travel safe and know that you have a host of leaders, pastors, and volunteers preparing and praying for you. We'll see you soon!

Blessings,  
The Worship Together Team
