Subject: Worship Together Conference 2024 Proposal

I'm writing to ask for approval to attend the Worship Together Conference on February 8-9, 2024.

Worship Together Conference is a transformative gathering designed for worship leaders, pastors, musicians, and creatives seeking to rejuvenate their teams and amplify their impact. This year we will discover an array of invaluable tools to bring rest to hectic schedules, revolutionize planning and organization, and elevate church leadership to new heights. Over the two-day conference, we will:

- Gain access to cutting-edge worship song resources ensuring our team is equipped with the best music available. Learn how to leverage communication tools effectively, fostering seamless collaboration and connection within our team and congregation.
- Uncover the secrets of pulling together a cohesive team, rallying around the mission of your church with inspiration and purpose. The sessions will empower us with strategies to cultivate a culture of balance, ensuring our team thrives while fulfilling their calling.
- Dive into comprehensive training and development tools that will propel our worship team to the next level and leave equipped with practical insights, renewed energy, and a toolkit to lead our team with grace, efficiency, and a deep sense of purpose.

Beyond the practical takeaways from the conference, there is also a deep focus on spiritual growth and renewal for leaders. The conference will explore what it means to live a life that reflects the holiness of God in everything we say and do. This is an opportunity for me to reset and realign with my first loves, Jesus and His church, and practice how to worship Him in every part of my life. I think the takeaways from this conference far outweigh the investment—both individually for me and collectively for the church body.
